25X1 meeting (WSSIC-M-128/83). [redacted]

25X1 2. Production Enhancement Initiatives, [redacted]

25X1 At the request of the Intelligence Producers Council, the
Committee reviewed and evaluated 15 production enhancement
initiatives for the DCI's FY 1985 budget submission. The
initiatives all dealt with weapon or space related topics.
Some of the criteria used to evaluate the initiatives included
their benefit to the Intelligence Community, innovativeness,
and uniqueness. Of the 15 considered, eight were identified by
WSSIC as meeting all of the criteria. The initiatives ranked
